WORK HISTORY

01/2025 to Current

Mental Health Counselor Intern

Eagles Landing Christian Counseling Center – 1944 Brannan Rd McDonough, GA 30253

- Conducted intake assessments and diagnostic evaluations to guide appropriate treatment interventions for new clients.
- Provided crisis intervention services when necessary; assessed suicide risk levels amongst high-risk individuals.
- Supported clients in identifying personal strengths and resources, enhancing resilience in times of psychological distress.
- Developed strong rapport with clients through active listening and empathetic communication, fostering trust during the therapeutic process.
- Enhanced clinical knowledge through regular supervision meetings, honing counseling skills and discussing case management strategies.
- Identified community resources relevant to each client's needs by networking with local service providers.
- Contributed to a supportive therapeutic environment for diverse clients, addressing their unique mental health needs.
- Documented client progress thoroughly, maintaining accurate records and ensuring confidentiality in accordance with HIPAA regulations.
- Improved client outcomes by implementing evidence-based counseling techniques in individual and group therapy sessions.
- Assisted with treatment planning, incorporating client goals and measurable objectives to track progress.
- Attended trainings to participate in regular supervision and continued education to

maintain professional competence and ethical standards.

07/2001 to Current **Assistant Pastor**

Hand of the Lord International Church – Decatur

- Supports congregants during life transitions like marriage, baptisms, or funerals through personalized pastoral services.
- Supports families experiencing difficulties, connecting them with appropriate resources within the congregation or broader community.
- Facilitates small group discussions on faith-related topics, creating an open environment for sharing ideas and experiences.
- Provides spiritual and administrative leadership to the church and manages daily operations.
