RE: Mental Health Counselor

Dear Director of Human Resources,

I am writing to express my interest in the Mental Health Counselor position at Eagles Landing Counseling Center. With a strong passion for mental health advocacy and a commitment to supporting individuals in their journey toward wellness, I am eager to contribute my skills and enthusiasm to your team.

Currently, I am pursuing my degree in Clinical Mental Health at Grand Canyon University, where I have gained a foundational understanding of counseling theories and practices. My coursework has equipped me with essential skills in effective communication, empathy, and active listening—qualities I believe are vital for a successful counselor.

In my role as a Mental Health Counselor Intern at ELCCC, I had the opportunity to interact with clients from diverse backgrounds, helping them navigate their challenges and promoting mental well-being. Working in a supportive environment has strengthened my ability to build rapport with individuals and foster a trusting atmosphere.

I am excited about the opportunity to further develop my counseling skills while assisting your team in providing compassionate support to clients. I am eager to learn from experienced professionals and gain valuable insights into the day-to-day operations of mental health counseling.

Thank you for considering my application. I look forward to the opportunity to discuss how my background and enthusiasm align with the goals of ELCCC. Please feel free to contact me for additional career details and qualifications. I look forward to hearing from you at your earliest convenience. Thank you for your time and consideration of my candidacy.

Sincerely,
Cameika Shelley
